General Description of the Position:

This is an hourly position. Part time and full time positions are available. Our school age teachers have a great time implementing a hands on, interactive program with their students. Teachers are responsible for lesson planning within our component structure of art, cooking, sports & rec, science, music and drama. Teachers are responsible for great relationships with their students and team mates, as well as providing a great recreation and enrichment experiences for their students.

Who we are looking for:

Highly energetic, fun, outgoing, team oriented, child advocates! We staff our schools with top-notch people who dedicate themselves to enriching the lives of children. Among our staff you will find California Credentialed Teachers, Early Childhood Education Students, as well as recreation and sports aficionados. Our programs are not for the faint of heart, our school age teachers are HANDS ON, involved in every aspect of their program from the lesson planning and implementation to room decoration to concept development! Our staff is loyal, goal oriented and fun!
